

FACULTY-LED WINTER BREAK PROGRAMS

vocation and Christian faith in EL SALVADOR

About the Program

This program will focus on the concept of vocation in the context of poverty and political injustice, facilitated by Augsburg's Center for Global Education. Examine how Christian theology has been used both to justify oppression, support social justice movements, and offer hope for a peaceful and just social order. We will also reflect on our own sense of vocation in relation to our learning experiences in El Salvador and at Augsburg College.
