The Military Payment Plan Application

The Military Payment Plan is for students who will have their tuition costs either fully or partially paid for with G.I. Bill funds, federal or state Tuition Assistance programs, or through a VA Third Party billing arrangement with either the Department of Veterans Affairs or the Department of Military Affairs. Students participating in this plan are able to defer tuition payment until 60 days after the end of each term.

Terms and Conditions

- This application must be submitted to the Enrollment Center by the payment due date of the applicable term. The form is required only once each academic year.
- Students will receive a billing statement prior to the term start date listing courses and associated charges. An itemized listing of charges is available on AugNet Records & Registration under Account Activity.
- Final payment on any remaining balance is due 60 days after the end of the course. Accounts not paid in full by the due date will receive a monthly \$50 late payment fee and are subject to further collection efforts.
- The student is responsible for full payment of tuition and fees if the VA benefits do not cover all costs for any reason, including withdrawal from a course.

I have read and agree to the above Terms and Conditions.
