

Student Questionnaire

Dear Student:

Please use this questionnaire as a constructive way to provide feedback to your instructor about his/her teaching. Please take a moment and think through your comments to be as specific as possible so that your instructor can determine what steps to take to make his/her teaching more effective for you. Your answers to this questionnaire should be returned to your instructor and will be seen only by your instructor. You will be asked to complete a different survey at the end of the semester that will be used for course and instructor evaluation for administrative purposes and for the Student Course Guide.

Thanks for your help.
