

WELCOME TO THE AUGSBURG COLLEGE EDUCATION DEPARTMENT

Augsburg College Education Department Mission Statement

The Augsburg College Education Department commits itself to developing future educational leaders who foster student learning and well-being by being knowledgeable in content, being competent in pedagogy, being ethical in practice, building relationships, embracing diversity, reflecting critically, and collaborating effectively.

Augsburg College Education Department Program Theme

Teacher as developing professional from classroom decision-maker to educational leader
Augsburg College Education Department Conceptual Framework and General Goals for Teachers

I. Teacher as developing professional

The four dimensions of professionalism addressed by our programs are as follows:

A. What we do—Concepts and Strategies of Teaching

- How to assess and evaluate student ability and performance (MN Standard 8: Assessment)
- How to plan instruction to meet student needs (MN Standard 7: Planning Instruction)
- How to implement instruction to promote student learning (MN Standard 4: Instructional Strategies)
- How to manage children and classroom life effectively (MN Standard 5: Learning Environment)
- How to help students develop emotionally and socially (MN Standard 2: Student Learning; MN Standard 5: Learning Environment)

B. Who we teach – Knowledge of Children and Youth

- How students develop and learn (MN Standard 2: Student Learning)
- Current issues affecting children and youth (MN Standard 9: Reflection and Professional Development; MN Standard 10: Collaboration, Ethics, and Relationships)
- Similarities/differences across communities, cultures, learning styles, abilities, special needs, and lifestyles (MN Standard 3: Diverse Learners)

C. Where we work – Contexts of Schools

- Foundational knowledge of schools and education in the US (MN Standard 9: Reflection and Professional Development)
- Leadership skills (MN Standard 9: Reflection and Professional Development; MN Standard 10: Collaboration, Ethics, and Relationships)
- Collaboration and teaming skills (MN Standard 10: Collaboration, Ethics, and Relationships)

D. Who we are as individuals and teachers – Personal Stance and Knowledge-base

- What I know; how I learn (MN Standard 1: Subject Matter)
- How I think: critically, creatively, ethically, reflectively (MN Standard 1: Subject Matter; MN Standard 9: Reflection and Professional Development)
- What I believe about education and people: personal philosophy (MN Standard 9: Reflection and Professional Development)
- What I can do to develop as a professional (MN Standard 9: Reflection and Professional Development)
- How I communicate and understand the communication of others (MN Standard 6: Communication; MN Standard 10: Collaboration, Ethics, and Relationships)

II. Teacher as inclusive practitioner.

III. Teacher as lifelong learner.

IV. Teacher as leader.

This packet has been prepared to assist you in the process of obtaining a license to teach in the state of Minnesota. It contains the necessary forms for admission to the department and reminds candidates of the steps necessary to complete a teacher's license at Augsburg College.

1. **Praxis I/PPST Exam** Students must complete the Praxis I (PPST) exam prior to registering for required program courses numbered 300 or above. Registration for these courses will be blocked for students who are not admitted to the Education Department. Praxis I Exam assistance is available at the Tutor Center, 18B Foss Center. PPST study guides are commercially available and can also be found in the Augsburg Library. To schedule an appointment, call 612-330-1751.
2. **Admission to the Education Department** is required of all those wishing to obtain a teaching license, and candidates must complete an application procedure to gain entry. It is expected that education students will apply for admission during the semester in which they enroll in the course, "Orientation to Education," or at the time of their first course in the department.

You must be accepted to the teacher licensure program before taking professional education courses (i.e., courses numbered 300 or above). Student arenot permitted to attend a 300-level course unless they have been admitted to the licensure program. Students who delay the admission process risk exclusion from 300-level courses.

Students are also responsible for program details as published in the *Augsburg College Catalog*, the college's weekly newsletter, the Education Department bimonthly newsletter, and the Education Department *Handbook for Education Students and Faculty*.

You should begin the admissions process by requesting an entrance interview appointment with a special education department faculty member to plan an appropriate college program. Later you will be assigned an academic advisor with whom you will continue to meet on a regular basis to monitor your progress towards licensure and graduation (if applicable).

Graduate students in the MAE program also must be admitted to the Education Department, following the same procedures as described in this document.

Additional testing is required for MN licensure. All students seeking initial licensure must pass the Principles of Learning (PLT) exam and a content area exam. These exams are taken at the end of the licensure program and, along with the PPST, must be passed prior to applying for licensure

Graduate students in the MAE program also must be admitted to the Education Department, following the same procedures as described in this document.

AUGSBURG EDUCATION DEPARTMENT ADMISSION REQUIREMENTS:

Students seeking admission to the EBD/LD licensure program will need to abide by the following requirements:

- 1. GPA standard:** For undergraduate admissions, minimum grade point average of 2.5 on a 4.0 scale for *all* previous college work is required. For graduate admissions, a minimum GPA of 3.0 on previous college work or a minimum 3.0 GPA on 2.0 Augsburg courses taken as part of the licensure program prior to department admissions. The latter option involves changing status from undergraduate to graduate and requires a completed baccalaureate degree. Licensure only students who meet the GPA requirement for graduate level admissions can also choose to be admitted at the undergraduate level. Only those admitted to the graduate level program are eligible to take the graduate level coursework.
- 2. Course Pre-requisite:** Effective Writing (ENG 111 or course equivalent) must be successfully completed with a grade of at least 2.0
- 3. The Praxis I (PPST) Exam** must be taken. If all three sections are not passed, see #4 below.
- 4. Students who do *not* pass Praxis I Exam must:**
 - meet with an advisor in the college tutor center to develop a skill development plan and/or discuss skill development options with a faculty advisor..
(Any fee incurred is the responsibility of the students. This plan may include additional coursework.)
 - Students on skill plans may be admitted to the department when/if all other requirements are met.
 - The skill plan must be completed before student teaching.
- 5. Letters of recommendation** - Students must submit two letters of recommendation. One of these letters must be from an Augsburg faculty member.
- 6. Signed statement:** A signed statement from the student must be on file that states he/she has read department materials, policies, and handbooks.
- 7. Non-Native English Speakers:** A score of 90 or more must be achieved on the Michigan Test. If a score of 90 is not achieved, the student must develop a specific language skill development plan or a general literacy skill plan that coincides with their Praxis I plan (#4 above). A score of 90 on the Michigan Test must be achieved before student teaching.
- 8. Meet with advisors:** Students must meet with an education advisor to plan their program. A signed copy of their program plan must be on file.
