

STUDENT TEACHING ASSIGNMENT CHECKLIST

Student Name _____

All students have a portfolio from School and Society, although the format may vary between students. Within student teaching, the students will refine their portfolio so that each area has been reflected upon and contain evidence of learning. During student teaching, students will be expected to add the following items:

- A reflection on the student teaching experience in preparation for a job interview.
- Documentation and reflection on impact on student learning. *Supervisor must collect one copy for records. Lesson Plans are to be included with this assignment.*
- List of strengths and weaknesses as well as developmental needs during your first years of teaching.
- Use of Technology in the classroom. Submit a copy of your reflection on technology to document how you incorporated technology in your teaching.
- Resume
- Cooperating teacher's final evaluation. *Supervisor must collect one copy for records.*
- Program Portfolio - e-folio to be reviewed by the supervisor

The goal is to use this material as preparation for a job interview. The college supervisor will check your portfolio for evidence of each category and collect items that are designated above. Be sure to have 2 copies of Impact on Student Learning including lessons and the final evaluation. Be prepared to discuss all of the categories listed during your last seminar.

THIS CHECKLIST MUST BE COMPLETE AND SIGNED BY YOUR COLLEGE SUPERVISOR IN ORDER TO DEMONSTRATE COMPLETION OF YOUR STUDENT TEACHING EXPERIENCE.
