Welcome to the 2011-12 academic year at Augsburg! You're an Auggie, too, and I want to invite you to become as involved in the Parent and Family Council as time and distance allow. I encourage you to keep this information handy so you are able to keep updated. I also hope you'll visit our parent and family website at www.augsburg.edu/parents for the specific locations of our meetings and other important information.
