

How IA supports the Vision/Mission of the college:

We build relationships to keep people engaged with Augsburg throughout their lifetimes, from student to alumni to donor, and help them find a meaningful connection to the college.

We nurture our students and alumni to be future leaders with programs such as Lilly Mentoring, Augsburg Stewards, and the Alumni Board.

We are ambassadors for the college, crafting and telling compelling Augsburg stories and communicating to many constituents – alumni, donors, students, faculty, staff, and the community – a variety of opportunities to connect to, engage in the life of, support, and advance the life of the college.
