

SENIOR KEYSTONE COURSES

APPROVED BY AAC

The term and year listed after the course (e.g., "Fall 2005") indicates the effective date for the Keystone designation.

Updated: 01/25/2012

Students:

- Complete at least one keystone course.
- Consult your major advisor(s) to determine whether the course(s) listed under your major are required by the major or simply recommended.
- If your major is not listed here, you must complete an AugCore Keystone or a keystone in another major.
