

**Approved Courses at Century College  
for  
Elementary Education Major and Specialty Areas**

The following tables list Augsburg College requirements and the corresponding courses at Century College that have been reviewed and approved for substitution. This is not a comprehensive list of all requirements for the major, licensure, and/or degree. See the Augsburg College catalog and departmental publications for more information.

An official transcript evaluation will be done to finalize the courses and credits that will be transferred to Augsburg. Please refer to the general transfer guide for more information about transferring credits to Augsburg.

=====

The Education courses listed below are approved for students planning to enter the elementary education major, special education major, and the secondary education licensure program.
