AUGSBURG COLLEGE

Transfer Policies and Credit Information

Augsburg accepts transfer courses from regionally accredited institutions which are at the college level, relevant to a liberal arts curriculum and graded C or better. Liberal arts courses are defined as courses similar in nature, content, and level to those offered at Augsburg. Augsburg does not grant transfer credit for developmental-remedial courses, vocational-technical courses, or continuing education units (CEUs). Competency credits and exam credits issued by another institution may and will be evaluated on an individual basis. Augsburg operates on a course credit system, rather than semester or quarter hours. One Augsburg course credit is equivalent to four semester hours. A maximum of 64 semester hours (16 Augsburg course credits) may be transferred from 2-year institutions. Courses taken beyond the credit limit however can be used to meet liberal arts and major requirements.

MnSCU Transfer Students Beginning Classes at Augsburg in January 2010 or later *(New policy approved October 2009)*

Completion of the Minnesota Transfer Curriculum (MnTC) with a cumulative grade point average of 2.5 or higher will satisfy Augsburg's Liberal Arts Foundation requirements (8 courses) and will reduce the Search for Meaning requirement to one course (REL 300). Student will be granted credit for transferable courses graded C or better.

Completion of the Associate of Arts degree with the MnTC and a cumulative grade point average of 2.5 or higher will satisfy Augsburg's eight Liberal Arts Foundation requirements, will reduce the Search for Meaning requirement to one course (REL 300) and will waive one of two Lifetime Fitness requirements. Student will be granted credit for transferable courses graded C- or better. Transfer courses that equate to Augsburg's requirements of Effective Writing, Entry Level Math, and Modern Language must have a grade of C or better in order for credit to be granted.

Note: the A.A. degree and/or MnTC must be completed prior to enrollment at Augsburg to qualify for the above programs.
