SUBJECT: AUGGIE DAYS SCHEDULE	DATE: AUGUST 24, 2007
REMARKS: YOU'RE INVITED!!!	PHONE NUMBER: 1 100

Greeting everyone!

In the following pages you will view the completed **Auggie Days 2007 Schedule**. We apologize for its lateness, however we had to address some of the specific needs of our incoming first-year students. As well as incorporating some of the valuable feedback we received regarding SOAR 2007.

As you review the schedule you will notice that there are several new programs and opportunities for students. Auggie Days has been designed to be a collective approach to the transitions facing our incoming students. We took into consideration that pervious Auggie Days had a tremendous amount of information packed in a very short time frame, leaving student drained for their first day of classes. When designing Auggie Days my staff keep that in mind as well as, focused on 6 specific areas: **Academic Success, Supporting Diversity, Community Connecting, Health/Wellness, Social Development, and Instilling Augsburg Tradition.**

Additionally, we have collaborated with the campus and surrounding community to provide a more holistic view of what a true Augsburg experience is. We shifted the focus from the traditional residential first-year student, to a large welcome and transitional program for our diverse student populations (residential first-year, commuter first-year, and transfer students).

Thanks for your continued support and I hope to see you during AUGGIE DAYS!!!!

EVENT DETAILS

commUNITY Receptions

There are receptions designed to help establish and connect individuals who share a common interest or identity. They are open to everyone and in some cases are co-sponsored with specific departments.

Worship Services

During students first week here at Augsburg we are providing some opportunity to connect/explore the many worship communities around campus. OLs will be escorting student to 7 different services

Job Fair

We have invited every department on campus as well as a number of businesses (154) in the neighborhood to a campus job fair. If the numbers are low might consider canceling this event.

Smart Starts

These are smaller more intimate sessions that will allow students to get a smart start on their transition from high school. The 3 topics are note taking techniques, study skills, and time management.

Get Fit

Is a program intended to get student acquainted with are fitness facilities from their arrive on campus. We want to demystify Si-Melby and Kennedy.

Ultimate Road Trip

A profoessional organization will address college trends and provide useful advise in an interactive, high energy presentation around the topic of college success.

Where's my Class

This program provides student with that last chance to have a peer show them specifically where all their classes will be held. This is done in small tour groups.

Flavor: Sample the City

Is similar to a mini-Taste of Minnesota, we have invited over 154 neighbor business and vendors to participate in a community sampling. We plan on having bands, food, and arts for enjoyment. We will also be serving dinner at this event for are first year and transfer students.

Breaking the Ice

Local Minneapolis Theatre, Pillsbury House, presents "Breaking Ice", a look at the issues important to college students.

Speed Chatting Café

Closely related to "speed networking" this program provides individuals with the chance to meeting a large number of students in a short period of time in a fun and relaxing setting.

Bike Tour

For those avid or beginning cyclist, we will have a group meet and explore River Road. This trip is design to assist people in being to establish or continue their hobbies. They will also spot by the Pribenows to get rehydrated.

Into the City

Is a field trip to celebrate the rich art and history of Minneapolis, by visiting 3 of our local museums, MIA, Mills City, and the Walker.

Xcape

This program is planned to help student learner health habits to take care of their bodies. Specifically around hair, skin and body care.
